

JEWEL CONTRACT NEGOTIATIONS UPDATE

December 2009

Attention Local 881 UFCW Members:

Contract negotiations between Local 881 and Jewel/Supervalu on your behalf are underway. As you may know, the bargaining process is generally long and tedious. We expect that wages and benefits will once again be the significant issues addressed and we further anticipate some additional challenges due to the current economic climate.

Your Union is committed to negotiating a fair and equitable contract on your behalf and we will continue to fight to protect your wages, benefits, and working conditions. We will keep you informed of any updates as we proceed through the negotiations process. Please be sure that Local 881 has your correct address information to ensure that you do not miss out on important information or ratification materials.

If you have any questions or need to update your contract information, please contact your Union Representative at 847-294-5064.

Thank you for your solidarity and support. Happy Holidays to you and your family.

Sincerely,

Ronald E. Powell
President, Local 881 and
